RECOMMEND A RESOURCE BE ADDED TO PAVILION

Knowledge Check Recommendation

Knowledge checks are interactive quizzes that tests a user's knowledge on a subject via a series of questions. Users answer 5 to 20 questions and are given a score and recommended remediation. Each question can have two to five answer choices but only one can be the correct answer. When a user selects an answer choice, feedback will display depending on whether it is correct or incorrect. View examples on PAVILION for a knowledge check with images and a knowledge check with no images.

Fill out this form and email to pavilion@dinfos.edu. If you have any additional source materials (e.g., Word doc, jpg) that should be used or referenced, include them as an attachment to the email. Thank you for sharing your idea or resource!

To maintain the highest levels of integrity, resources are vetted and undergo an extensive review process. If approved, the information will be transformed and adapted to best suit the fleet and field. We will reach out to you with any questions.

Describe Your Recommendation

Provide a description of the knowledge check and how it would benefit DoD PA/VI:

Tell Us About the Source Material(s)

Do you have any supporting materials or images to provide along with your recommendation (e.g., photographs, lesson plans, training guides)?

If so, please list the link(s) below and/or provide the source(s) as an email attachment.

Who is the source or owner of the resources and/or information (e.g., you, your unit's PAO, DINFOS, George Mason University, Military Times, Hootsuite)?

If the materials are owned by a third party, do we have permission to use them?

Is this information cleared for public consumption?
