

RECOMMEND A RESOURCE BE ADDED TO PAVILION

## Template Recommendation

*Templates are resources available to download and use as a model to ensure consistency and save time. Installed software is needed to open the file based on its file type. View an [example](#) on PAVILION.*

---

**Fill out this form and email to [pavilion@dinfos.edu](mailto:pavilion@dinfos.edu).** If you have any additional source materials (e.g., Word doc, jpg) that should be used or referenced, include them as an attachment to the email. Thank you for sharing your idea or resource!

To maintain the highest levels of integrity, resources are vetted and undergo an extensive review process. If approved, the information will be transformed and adapted to best suit the fleet and field. We will reach out to you with any questions.

### Tell Us About Yourself

**Today's date:**

**Full name:**

**Email address:**

**What is your role and service?**

**Have you previously assisted with PAVILION?**

### Describe Your Recommendation

**Provide a description of the template, what it is used for and how it would benefit DoD PA/VI:**

## Tell Us About the Source Material(s)

Provide a link to the template file or include it as an email attachment along with your recommendation:

Who is the source or owner of the file (e.g., you, your unit's PAO, DINFOS)?

If the materials are owned by a third party, do we have permission to use them?

Is this information cleared for public consumption?

Do you have any design assets you recommend using (e.g., graphics, photos)?

If so, please list the link(s) below and/or provide the design asset(s) as an email attachment.

Any additional notes you would like to relay:
